**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need competition in the industry. Companies like att don't care about consumers and only the executives salaries and benefits are of concern to them not the level service and what's right or correct for the consumers.

I want more competition!

I say NO to price hikes that will increase the cost of internet and telephone services.

I still don't have fiber at my house because att has a monopoly, I get better service in areas where att doesn't have a monopoly.
